TURLINGTON™ | ENGINEERED HARDWOOD

Bold Grain. Big Impact.

Crafted from from a variety of species, Turlington engineered hardwood is a true expression of dramatic and bold grain pattern.

- Rotary peeled face-veneer produces a bold and varied grain pattern, showcasing wood in more expressive aesthetic
- A practical choice for big installations being suitable for any level of the home
- Designs available in both 3" and 5" widths, for a traditional or contemporary look
- The medium gloss finish offers the right balance of sheen to brighten a room, without a mirror-like reflection
